

For ALASKA FACILITIES Only

RISK MANAGEMENT PROGRAM (RMP) Training  
July 19, 2010

**Federal Building, Conference Room 154  
Anchorage, AK**

The Environmental Protection Agency (EPA) is offering **FREE RISK Management Program training**, providing information about how to comply with the RMP reporting and emergency planning requirements. The instructors are EPA staff with extensive experience in RMP inspections and compliance assistance.

**This training is for ...**

***Safety, Process Safety, Operations and Plant Managers;  
Environmental, Engineering and Maintenance Managers;  
RMP and PSM Coordinators;  
Supervisors, Operators and Maintenance Technicians; and  
Technical, Safety and Environmental Professionals.***

**Major components of the RMP training:**

- **Morning:** General review of RMP elements, common inspection deficiencies and tips on using RMP\*eSubmit for on-line updates/corrections to your RMP.
- **Afternoon:** Group discussion

**To Register:** In order to guarantee a space, please send the following information:

- Name and email of person/s attending (limit 2 per facility)
- Facility Name

**Send Your Response** to [allen.stephanie@epa.gov](mailto:allen.stephanie@epa.gov)
